

demo-redefine/prod
/txt-tests/outputcheck.c

```
graph TD; A["demo-redefine/prod<br/>/txt-tests/outputcheck.c"] --> B["fstream"]; A --> C["iostream"];
```

The diagram consists of a top gray box containing the file path 'demo-redefine/prod /txt-tests/outputcheck.c'. Two blue arrows originate from the bottom edge of this box, pointing downwards to two separate light gray boxes. The left box contains the text 'fstream' and the right box contains the text 'iostream'.
